InfantSEE Training

Dr. Andrea Thau

Wednesday, August 10th, 2005

2:00 p.m. - 5:00 p.m.

Crowne Plaza Lexington - The Campbell House

1375 Harrodsburg Road

Lexington, KY

Are You Ready to Examine Infants?

The KOA and Dr. Andrea Thau team up to bring you InfantSEE Training. This course is designed to make optometrists comfortable examining infants. The course addresses recommended equipment, office setup, history and examination of the child in the first year of life. It includes information for making the examination easier for the child, parent and doctor.

This course is free to KOA members and offers (3) hours of continuing education for Kentucky licensure renewal.

Register today, as seating is limited.
