Frankfort, KY 40602

(502)227-7981 Phone (502)875-3782 Fax

**Need a last minute gift idea?** Not sure what to give the person who already seems to have everything? The Kentucky Vision Project allows people to make contributions in the name of another person as a tribute, gift or memorial. It's a wonderful way to both support the KVP and solve your gift-giving dilemmas.

The KVP will send the recipient a card telling them that a donation has been made in their honor. (Often times, the donation amount is withheld; you can always choose to list the donation amount).

Through the Kentucky Optometric Association and the generosity of the KOA members, thousands of people have been able to receive needed eye care and glasses.

**Your gift today is going towards making it possible for low income Kentuckians to have the precious gift of sight!**

**Recipient Name**
